## Two VHS Scholarships Awarded by VMRC

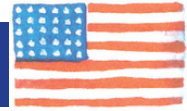

For the first time in our short history, the VMRC has entered the foray of **Verona High School scholarships** to award two seniors \$500 each, upon graduation.

The winners for 2023 (formally announced on June 7) are one young lady and one young man. The contest is open to *all* graduates, college bound or not. We are so excited to announce our winners on June 7 at the VHS Scholarships Awards ceremony. The checks will be presented by two veterans of the armed forces and the winning essays will be posted on our website!

We are very proud of our veterans and of our essay participants, who wrote heartwarming and patriotic essays honoring the veterans in their life and in our country. Thank you to all the students who participated! May your love of this country never cease as you enter adulthood. And good luck with your future plans post Verona High School!

**A THOUSAND CRANES = A WISH**  
**MY WISH IS A SERVICE DOG**

If you are in Verona and want to contribute to a good cause, there will be a fundraiser at Avenue Bistro for Meghan so that she can obtain a much needed service dog.

Meghan is not affiliated with VMRC but her story has touched our hearts. She is unable to walk and needs a girl's best friend to help her around. Don't we all need a good friend?

June 15 at 7pm; Avenue Bistro  
 Verona

About **Verona Municipal Republican Committee (VMRC)**: The Verona Republican Committee is made up of a group of both elected and unelected public officials who are principled, conservatives who embrace our core values of honoring the U.S. Constitution and the rule of law.

VMRC's goal is to increase the Republican voter base in the Township of Verona by developing voter registration and outreach programs to community members who share our core values and beliefs. We will do this by providing opportunities to educate the electorate through political events, and other forums.

VMRC will participate in (NJ) GOP activities in the recruitment and election of well qualified, loyal, constitutional, conservative, principled Republicans. We will accomplish this through education, communication, outreach and motivation of the community.
