## Your Vote Matters

On a warm fall night prior to the November elections, the VMRC hosted the 3 NJ Legislative District 40 candidates: Kristin Corrado, Al Barlas and Chris DePhillips at a lively event that was standing room only! Thanks to the support of the people of Verona **THEY WON.** This is evidence that our outreach and Verona's united vote can make a clear difference.

The event, called "The All American BarBQ", featured a food truck, refreshments and great company. VMRC members from all corners of Verona came to support. The Republicans Clubs of Cedar Grove and West Caldwell also joined in on the fun.

**WISHING ALL OUR MEMBERS AND THEIR FAMILIES A  
HAPPY AND BLESSED THANKSGIVING!**

## Keep the VMRC in Mind for Year End Contributions

Each time the VMRC hosts an event we hear exclamations such as, “I didn’t know we had a Republican Club in Verona!” and “I thought I was the only Republican in Verona!” Well, we ARE here and you are NOT alone. You are one of thousands of Verona Republicans who want a better tomorrow for our country and for our children.

At the VMRC we seek to locate local Republicans, connect with them and give them the support and enthusiasm they need with events such as The Great American BarBQ, quarterly meetings and scholarships for local students. The VMRC also believes in the future of our party. As such, we put your contributions to work in the community, aiming to make the Republican club of Verona a beacon of hope and patriotism during this much needed time in our history. Help us make a difference!
